Quality Seeder / Spreaders

Quality is an important word at King Kutter. It's who we are. It's what we do. It's the equipment we build. Landscapers, Nursery Owners, Farmers, and Homeowners can get the job done fast, and do a job they can be proud of, with a Seeder/Spreader from King Kutter.

Spread salt and sand in the winter or fertilizer and seed in the spring with King Kutter's Seeder/Spreaders. With four different Seeder/Spreader options, from poly hoppers or steel hoppers, to sub-compact and pull type models, we have the right spreader for the job. So whether you're planting a wildlife food plot or over-seeding the lawn, King Kutter Seeder / Spreaders will get the job done.

Spread Fertilizer

800 lb. Capacity

Stainless Steel Spinner

3-pt Mounted Seeder / Spreaders

Model shown: S-500

King Kutter's steel and polyethylene hopper Seeder/Spreaders are both great choices. Spreading salt during the winter? Use the S-400-P Poly Spreader. Want to spread grass seed on your lawn? Go with the S-500 Steel Spreader. Both models feature agitators, shielded drivelines, and seamless conical hoppers. So whether you choose the S-400-P or the S-500, you can't go wrong.

Choose from two styles:

Seeder / Spreader (Steel) – Cat. I, 3-pt. hitch, seamless conical steel hopper, adjustable spreading rate, choice of spread pattern, 900 lb. capacity. (Model: S-500)

Seeder / Spreader (Poly) – Cat. I, 3-pt. hitch, seamless conical polyethylene hopper, adjustable spreading rate, choice of spread pattern, 800 lb. capacity. (Model: S-400-P)

KingKutter® INCORPORATED

ATV Seeder / Spreader

The Perfect Seeder/Spreader For Your ATV

Performance

King Kutter's ATV Seeder/Spreader is ideal for use in those hard to reach areas, like that wildlife food plot you've built in the woods. Spread seed, fertilizer, granular herbicides, and other materials on your lawn to get the best stand of grass you've ever had. This unit has a ground driven gearbox that can be disengaged when transporting. Fill up the Seeder / Spreader before you leave the shed and disengage the gearbox for transport.

Adjustable Spreading Rate

ATV Seeder/Spreader

Adjustable height tow hitch, 1 7/8" ball hitch, turf tires, wind drift shield, 400 lb. capacity. (Model: S-ATV-180)

King Kutter XB Sub-Compact

XB Sub-Compact Seeder / Spreader

The Perfect Seeder / Spreader For Your Sub-Compact Tractor

Performance

King Kutter's XB Sub-Compact Seeder / Spreader is ideal for sub-compact tractors with 3-pt. hitches. This unit has all of the features of the larger models in a smaller package. Even if you have a sub-compact tractor, you can get the job done easily with an XB Sub-Compact Seeder / Spreader.

XB Sub-Compact Seeder / Spreader

Limited Cat. I, 3-pt. hitch, shielded driveline, adjustable rate spreading, 400 lbs. capacity. (Model: S-XB)
